RE: Independent Expenditures Made Since Filing of Report

There are two expenses that have been incurred by our political action committee in relation to the May 4 election in the First Congressional District. These activities are planned but we have not received a bill for them.

The following are estimated costs for these activities:

- 4/26- a mailing to about 5,000 people, to be sent first class mail we expect the cost to be about \$1,600.
- 4/26 - radio ads with an estimated cost of about \$3,600

We will report these expenditures on our next report with the actual amounts.

Thank you.
